

RS36W80LJ1

ActiveSmart™ Refrigerator 36" bottom freezer integrated with ice - 80"/84" Tall

The Fisher & Paykel family of Integrated refrigerators provides a new level of fit and finish to deliver seamless kitchen integration. These are designed for easy installation and flush fit into new or existing kitchen cabinetry at heights of either 80" or 84" with minimal gaps. Choose your cabinetry facades* or stainless steel door panel set (sold separately). *Water dispensing models can only use stainless steel door panel set (sold separately).

Integrated

Dimensions

Depth	23 3/4"
Height	79 7/8"
Width	35 11/16"

Features & Benefits

Fresher Food for Longer

Fisher & Paykel's unique ActiveSmart™ Foodcare helps keep your food fresher for longer by constantly monitoring how you use your fridge and adapting to maintain a controlled environment and optimum temperature.

Seamless Integration

The Integrated series minimizes gaps through heavy-duty inline hinges and adjustable doors enabling minimal gaps to create consistent lines throughout your kitchen. The series sits flush with cabinetry to reduce disruption and deliver design freedom through stainless or custom panel options.

Designed to Match

Our Integrated Refrigerators can be integrated behind cabinetry. Choose your own cabinetry facades or stainless steel door panel set (sold separately). These integrated refrigerators match the styling of our family of kitchen appliances including integrated ovens, CoolDrawer™ multi-temperature refrigerators and DishDrawer™ dishwashers.

Easy Cleaning

Removable, spill-safe cantilevered glass shelves are designed to contain drips and spills that can be simply wiped away, while leaving the interior walls completely smooth and easy to clean.

Flexible Living

These refrigerators adapt to suit your lifestyle by streamlining food preparation and organization with SmartTouch controls, flexible shelving and storage options, and slide out bins and trays. The water filter is easily accessible for quick cleaning or replacement. LED lighting in all compartments lights up all the shelves, bins and trays.

Efficient

These ActiveSmart™ refrigerators intelligently adapt to daily use to help save energy, cooling and defrosting only when they need to without compromising on food care.
