

# Home Comfort

FAD251NTD

## Signature Features

### Effortless™ Clean Filter

Our anti-microbial filter cleans the air, removing harmful bacteria.

### Energy and Cost Savings

The unit operates at a low temperature – using less energy and saving you money.

### Effortless™ Humidity Control

Allows you to control the exact percentage of humidity in your room.

### Improves Home Environment

Protects your home from mold and mildew caused by excess moisture – and helps eliminate bacteria in the air that can make breathing difficult.

## Dehumidifier

### Product Dimensions

Height	19-2/7"
Width	14"
Depth (with Front)	11"

### More Easy-To-Use Features

**Effortless™ Automatic Shut Off**  
Unit shuts off automatically when the water tank is almost full.

**Smells Fresher**  
Washable filter keeps your air smelling fresh. Plus, the dehumidifier prevents odors that result from mold, mildew and bacteria.

**Effortless™ Full Tank Alert System**  
Alerts you when your water tank nears capacity and it is time to empty the water bucket.

**Effortless™ Continuous Pump Option**  
Continuously drains your dehumidifier – so you don't have to empty the water bucket.

**Front Loading Bucket with Carrying Handle and Splash Guard**  
Water bucket is conveniently located in the front of the unit for easy access, while the carrying handle and splash guard make emptying your bucket hassle-free.

**SpaceWise™ Portable Design**  
Caster wheels and top and side handles make it easy to move your unit from room to room.
