The LG UJ6200 4K UHD Smart TV offers you the latest standard in TV resolution. With four times the resolution of Full HD enjoy your favourite movies and shows with outstanding picture quality and clarity. Combined with Active HDR to provide amazing colour, webOS 3.5 with access to all of your favourite apps and ULTRA surround for immersive sound, the LG UJ6200 is an outstanding 4K viewing experience

The amazing resolution With 4K Ultra HD, LG offers you the latest in TV resolution technology with 4 times the resolution of Full HD. Enjoy your favourite movies and shows in 4K glory from Netflix, YouTube and more!	Get the best from your TV HDR lets you see everything the way it was meant to be seen, helping your TV produce billions of colours. LG Active HDR supports both HDR 10 and HLG ensuring that you get an optimized viewing experience no matter what you're watching.	All the apps you want, all with the push of a button webOS 3.5 is a simple Smart operating system to use with our Magic Remote and refined launcher bar. Get to the apps you want, as fast as you want, zoom in and record what's on your screen, connect to any Bluetooth device and even use your TV as a music player, all with the magic of webOS 3.5.
Surround yourself with immersive sound Make your 4K viewing experience even better with an immersive sound experience. ULTRA Surround provides the same sound quality of seven-channel speakers without the need for the extra hardware.
