Heavy-thread stitching on a distinct, modern design.

Zara delivers extreme comfort with a fully padded footrest and divided back cushions. Its frame spotlights unique armrests that pop out of a wrap-over detail and accentuated on the side with heavy-thread stitching and subtle dimples. Wrap-around pads on the back wings mimic the arm design and add flow and continuity to Zara's style. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a power button control allows you to independently adjust the headrest for custom relaxation.
